BIDS AND AWARDS COMMITTEE 1

BID BULLETIN NO. BAC1-2023-01-BB01

RE: Bid Project No. CTABAC1-2023-01

“Procurement of Information and Communications Technology (ICT) Equipment (Re-bidding for Lot C, E, and H)”

Please take notice of the following changes/clarifications in the Bidding Documents:

1. In view of the discussion during the Pre-Bid Conference, the BAC 1 resolved to revise the technical specifications for the following lots: 1) Lot C. Procurement of Laptop for Computed Aided Design (CAD); and 3) Lot H. Procurement of Server, to wit:

Lot C. Procurement of Laptop for Computed Aided Design (CAD):

Description	Technical Specifications
Security	The technical specification for security was deleted.
Productivity Software	The technical specification for productivity software was deleted.

Lot H. Procurement of Server

Description	Technical Specifications
Processor	The phrase “At least 11 th Generation SFF or latest and ready for Virtualization” was revised to: “At least 11 th Generation SFF or latest generation processor, and ready for Virtualization.”
System Management	The phrase “Must support Controller, Administrator, Integrator plugins, or equivalent (iLO standard) was revised to: “Must support Controller, Administrator, Integrator plugins, or equivalent of iLO standard.”
Memory	The word smart was deleted in the technical specification for memory.

In view of the foregoing, attached in this Bid Bulletin are **Annex A** containing the revised technical specifications for Lot C. Procurement of Laptop for Computer Aided Design (CAD); and **Annex B** containing the revised technical specifications for Lot H. Procurement of Server.

Bidders are reminded to attach/include this Bid Bulletin to the bidding documents that they will submit. Please indicate “comply” to each and every technical specification for Lot C,

and Lot H in Annex A and B, respectively, and fill-up the Name of Company/Bidder, signature over Printed Name of Representative, and Date at the bottom of Annex A and Annex B.

Please be guided accordingly.
